

News Release – For Immediate Distribution

SKEYE PRODUCES ITS FIRST INFLIGHT PROGRAM

The Airline Distributor Teams up with Distraction to Launch *Funny Home Video*

Montreal, Canada, June 4th 2006 – Skeye Inflight Entertainment (www.skeye.tv), the airline distributor of short subject programming announced that it has produced its first custom-made airline program. *Funny Home Video*, a 12 x 30 minutes non verbal series that includes funny home video clips, as been produced in collaboration with Distraction (www.distraction.com). “With various clip categories that range from children, animals, sports and stunts, *Funny Home Video* is almost guarantee to make laugh a universal audience”, said Isabelle Begin, president and founder of Skeye.
